Use Your Mind

CHOOSE EFFICIENCY

With the great advantages of being small, Atak brings a new approach to urban transportation while offering efficiency in every aspect. Discover the smart way for your urban solutions now.

Use Your Mind
CHOOSE FLAWLESS DESIGN

FUTURISTIC DESIGN

New Atak is pushing the limits; its dynamic, modern and compact design is standing out among the ordinary. In the front, horizontally lined up headlamps, elegant and curvy nose and LED day time running lamps underlines the strong character on the road.

ESTHETIC REAR DESIGN

Is it possible to be logically and emotionally effective at the same time? New Atak enables that with its attractive design. Charming rear grill, vertically lined up LED lamps, and piano black details catch all the attention. You will just enjoy being in the center of attention.

ERGONOMIC NEW COCKPIT COVERING ALL DRIVER NEEDS

A driving experience to remember. New Atak will make you feel exceptional with its modern, ergonomic and flawless lines in the driver section. New steering wheel with leather option, new functional button layout and futuristic cabin urges you to keep driving. New Atak provides a comfortable driving environment with soft shifting and wide air ducts with effective circulation.

COMFORTABLE DRIVING TRANSFORMING RIDE INTO PLEASURE

In addition to the driver seat bringing a new dimension to comfort, new Atak increases driving control with its panoramic view and offers a superior ride in all conditions, thanks to ECAS air suspension. Another feature serving comfort is the positioning of engine compartment at the rear, which helps driver and passengers travel in maximum silence.

CHOOSE EFFICIENCY

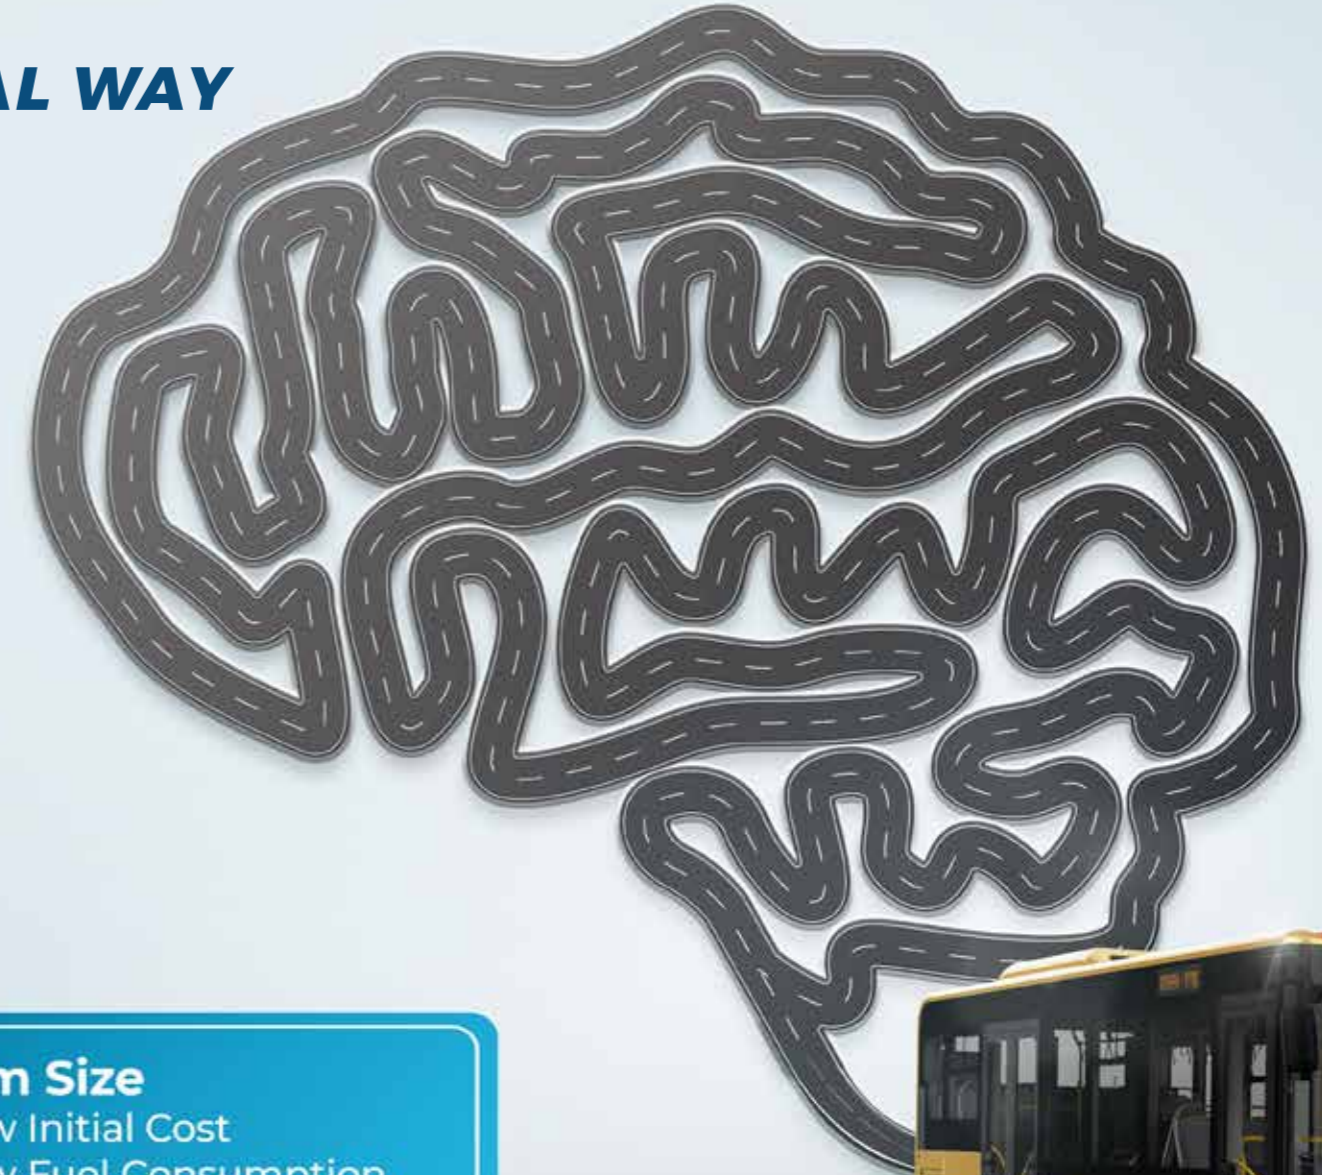

A LIFELONG PARTNER

New Atak is designed to support you in a profitable journey. On top of increasing operation efficiency with low maintenance cost, serviceability take 8 meter sized Atak one step ahead.

SMART SERVICEABILITY

Refined through years of experience, all serviceability details have been considered in Atak. 3-piece front & rear bumper can easily be replaced with low cost. Electric control unit behind the driver area makes all components be easily accessed. Extended front bonnet offers effortless serviceability for many elements including defroster.

MAXIMUM CAPACITY UTILIZATION MINIMUM CONSUMPTION

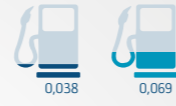

It becomes possible for your business or municipality to profit more with new Atak. With 58 passengers, it uses its full capacity even in off-peak hours unlike 12-meter busses. This provides you 38% less fuel consumption per passenger, compared to 12 m long busses.

EASE OF PUBLIC TRANSPORTATION

New Atak eliminates accessibility problems in public transportation. Practical ramp located at the back door enables passengers with wheelchair to enter Atak easily. Atak respects everyone's travel right in the wheelchair space located in the middle area.

With its embedded technological solutions and features providing superior comfort, new Atak goes beyond being an ideal vehicle. The most important aspect is its low floor, which allows passengers to get in easily. Atak's wide seats and passenger air conditioning provide maximum comfort. USB charging outlets enable passengers to charge their smart phones whenever they desire.

CHOOSE SUPERIOR PERFORMANCE

137 kW
Max. Power

680 Nm
Max. Torque

POWERFUL EURO 6 ENGINE

Distinguishing itself globally with its fuel economy, new Atak is very impressive with its performance as well. With its Euro 6 engine generating 137 kW, Atak climbs even steepest hills effortlessly. Moreover, all of this is done with low emissions, protecting the environment.

Mechanic warranty is limited to 2 years or 200.000 km (whichever finishes first).

HIGH MANEUVERABILITY AND CLIMBING CAPABILITY IN EVERY CONDITION

New Atak is ready for every condition of the city. Superior gradeability gives confidence while climbing the steepest hills, and low turning radius helps you maneuver narrow streets easily. New Atak withstands every city's dynamic with these advantages.

AUTOMATIC TRANSMISSION ENHANCING CONTROL

You can count many reasons that make new Atak crucial, automatic transmission is one of them. 6 speed automatic transmission enables driver to focus on the road more, while carrying driving comfort to the next level.
